Briefs	
Chairman of OIRT	24
Radio Agreement With Romania	24
Approval of Radio Marti	24
GUYANA	
Briefs	
New GBC Transmitter	26
MEXICO	
Swedish L M Ericsson Firm Gets Injection of Capital (Bengt Albons; DAGENS NYHETER, 21 May 83) .....	27

## ST LUCIA

Cable TV System Set To Begin Local Operations Soon (THE WEEKEND VOICE, 30 Apr 83) .....	31
--------------------------------------------------------------------------------------------	----

## TRINIDAD AND TOBAGO

Briefs Tobago Telephone Expansion .....	32
--------------------------------------------	----

## NEAR EAST/SOUTH ASIA

## ALGERIA

Telecommunications Projects Reported (Cherif Haddad; EL MOUDJAHID, 13-14 May 83) .....	33
-------------------------------------------------------------------------------------------	----

## ISRAEL

Trans-Samaria Cable Under Construction (ITIM, 13 Jun 83) .....	35
-------------------------------------------------------------------	----

## LEBANON

Briefs- Protocol With ROK .....	36
------------------------------------	----

## SRI LANKA

All Districts To Have Direct Dialling By 1984 (Winston de Valliere; SUN, 18 May 83) .....	37
----------------------------------------------------------------------------------------------	----

## SUB-SAHARAN AFRICA

## NIGER

Results of Communications Minister's Tour of Interior (Mohamed Madou, et al.; LE SAHEL, 16 May 83) .....	39
-------------------------------------------------------------------------------------------------------------	----

Briefs Diffa Department's Improved Communications .....	42
------------------------------------------------------------	----

## SEYCHELLES

Telephone Service Improves; Demand Increases (NATION, 20 May 83) .....	43
---------------------------------------------------------------------------	----

## ZIMBABWE

Work on Microwave Link Experiment Scheduled (THE CHRONICLE, 13 May 83) .....	45
---------------------------------------------------------------------------------	----

## USSR

Communicators' Contribution To Food Program (V.N. Lebedev; VESTNIK SVYAZI, Jan 83) .....	46
Moscow Describes Phototelegraphy of Central Press (Moscow Maritime Service, 7 May 83) .....	49
Briefs	
Kemerovo Paper Facsimile Station	50
Tajik Radio Relay Line	50

## WEST EUROPE

### EUROPEAN AFFAIRS

European Meteorological Satellite Program (AFP SCIENCES, 24 Mar 83) .....	51
Briefs	
ESA 'Navsat' Study	53
France, UK on Telecom-1	53

### AUSTRIA

Expansion of Cable TV Requires Huge Investments (Franz C. Bauer; DIE PRESSE, 13 May 83) .....	54
--------------------------------------------------------------------------------------------------	----
